

ELEPHANT INSURANCE / MULTI-CAR DISCOUNT REFRESH / 08.05.2019

Open on key hooks being hung. Footage continues to play out as in the current spot, edited slightly for timing as new female VO kicks in.

ANNCR: You used to think you'd never own a car.  
 Much less two.  
 Then you need something a little more grown-up.  
 Then a little more baby friendly.  
 More carpool friendly.  
 More soccer practice friendly.  
 Yup, everybody grows up.  
 And we'll be with you every step of the way.  
 The more cars you have, the more savings you get.  
 That's the Elephant Multi-car Discount.
