HOW WE DO IT

We've taken the best parts of traditional production studios, marketing companies and ad agencies, added a little transparency, and a heaping spoonful of *amazing* customer service.

WHY WE DO IT

Our philosophy is simple – Clients First.

It's been that way since we opened our doors over 50 years ago.

Over the years we've grown, pivoted, and improved in a way that elevates the work we do to a better and faster level.

OUR BEGINNINGS

Established in 1967 by Warren Miller, Studio Center started with Two Rooms and Four Microphones. Audio was still edited and recorded on Tape.

We're equipped with the expertise and versatility to cater to brands of *any* scale.
