# Our Statement of Intent

We are offering the services outlined as an in-kind donation to Peter Decker Children's Charity.

Typically, the organizations we work with will make us a sponsor of the event with logo representation on the website, social media and at the event.

If it's possible for Studio Center to be an in-kind sponsor of Brews & BBQ, we would welcome and appreciate it. If not, we're excited to provide our services regardless.

We look forward to helping PDCC make the most of this year's event and providing some additional assets to enrich the website and marketing efforts for years to come!
