Carolina country

Thank You
Tree Trimmers

We Are
Mountain Strong
Hurricane Helene

To Everyone That Answered the Call

THANK

YOU

Thank You
Contractors & Graders

THANK YOU
Crews from the
Sister Cooperatives

100's of
Volunteers

**When our team and region
needed it most, many
answered the call.**

**See your Membership
Matters newsletter inside
for more.**

THANK YOU

**When Blue Ridge Energy called,
crews from around the country answered.**

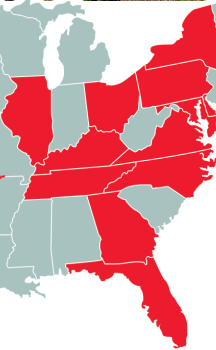

Thank You
Contractors

**Some Crews drove as
long as 14+ hours**

*States shown in red showed
up to lend a helping hand for
our community *

Blue Ridge Energy received mutual assistance from sister cooperatives, contractors, graders and tree trimming crews, with manpower totaling over 600 people during restoration efforts following Hurricane Helene.

Thank You
**Grading &
Tree-Trimming Teams**

Thank You
57 crews
consisting of **sister-cooperatives**

Thank you

Saying "thank you" doesn't adequately express the gratitude we feel towards the many sister-cooperatives, electric contractors, tree-trimming teams and grading crews on this list. Companies in this industry share a special bond, bound by the work we do for our communities. Often, you get a chance to lend a helping hand, hoping you're not the one asking for it down the road, but our friends were here to help when we needed it most.

TO OUR MEMBERS:

Hurricane Helene was the worst storm ever to impact our service area. We thank you for your prayers, thoughts and words of encouragement as we worked to not only repair our system, but rebuild it in many areas.

Together, We're
Mountain Strong.

BlueRidge
